

Concept Note:

The Covid-19 pandemic is an unprecedented challenge with immediate impact on political, social, economic health of the society. This global pandemic has its impact everywhere in the world and North East India is no exception. It has disrupted the normal life functioning of the people by putting them in an unusual situation. The whole socio-economic scenario has been changed as a result of this pandemic. Keeping all this point in mind, the present conference seeks to unveil the hidden changes that occurred to the socio-economic lives of the people of this area. We also expect that it will touch some of the areas that was unexplored before the pandemic and also intend to address gender equation in the light of pandemic. The researchers are expected to explore the challenges and opportunities in the field of education, technology, art-culture, tourism, health, environment etc. during this global pandemic era. The conference will centre around following sub themes:

- Education and Infrastructure
- Employment
- Tourism sector and new normal
- Blended education mode
- Socio demographic breakdown and child care and support
- Gender issues
- Physical and Mental health
- Social distancing
- Art & Culture
- Technological innovation and solution
- Issues of elderly people
- MSME sector
- Agriculture sector
- Livelihood
- Environmental issues
- Labour market issues
- Any other related issue

International Online Conference on

Covid-19 Pandemic: Opportunities and Challenges, with special reference to North East India

Date: 30th June 2022

Organized by
D.H.S.K. Commerce College,
Dibrugarh
in collaboration with
Assam Kaziranga University,
Jorhat, Assam

About the Organizers:

Dibrugarh Hanumanbux Surajmal Kanoi (D.H.S.K.) Commerce College, established in the year 1960 possesses the pride of being the first full-fledged Commerce College in the North East India. Over the years, the college has come to the present position of pride and excellence in the academic map of this region. The college is sincerely committed to its objectives of learning and achieving excellence through imparting value-based commerce education and preparing the students to face the challenges of the fast changing globalised world. At present the college is affiliated to Dibrugarh University for its Undergraduate and Postgraduate Courses and the Assam Higher Secondary Council for the Higher Secondary Course.

Assam Kaziranga University located at Koraikhowa, on the outskirts of city Jorhat in Assam, India, is one of the largest private universities in North-East India. It offers state-of-the-art education and research relevant to market needs to the nation. Founded in the year 2012 The University has been promoted by the Trust under the banner of The North Eastern Knowledge Foundation (NEKF) and The KU campus is located at Koraikhowa, on the outskirts of Jorhat city near NH 37. The campus is very conveniently connected with air, rail and road transport. The University provides courses in Engineering, Management, Computing Sciences, Social Sciences, Health Sciences and Basic sciences.
