

# DHSK COMMERCE COLLEGE: DIBRUGARH

**6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution**

**Response:**

The College emblem beautifully reflects the vision where the wheel in the emblem glorifies industrialization and the ‘two leaves and a bud’ of a tea plant depicts the unique location of the College in the tea town of Dibrugarh. The illuminated lamp symbolizes that the light of knowledge leads us to enlightenment. In the midst of the emblem inscribed is the famous clarion call given by Swami Vivekananda toward the young generation of the country ‘uttishthat: jaagrat’ quoted from the Upanishad, which implies ‘Arise and awake’ and it is also our sacred endeavour to instill this great value in the minds of our youths. The vision of the DHSK Commerce College is to upgrade itself into a centre of excellence in commerce education and to build future business leaders and entrepreneurs in the globalized business environment for the development and welfare of all concerned.

**Vision:**

- Making commerce education accessible to all sections of the society.
- Teach, guide and motivate the students by providing quality education.
- Inculcate the spirit of co-operation and healthy competition amongst the students.
- Mould the students towards creativity and excellence with dedication, devotion and discipline.
- Ensure physical, mental and moral growth and development of the students.
- Assist in character building by cultivating human and ethical values in the students.
- Synthesise the traditional and modern teaching tools for capacity building through all round
- Development of the students.
- Facilitate, encourage and spread education for women empowerment.

**Mission:** “The mission of the D.H.S.K. Commerce College is to promote learning both by students and faculty to achieve excellence in education”

The Vision, Mission and Objectives are communicated to the stakeholders through the prospectus, College website and display in the college notice board. The quality policies and plans are framed by the Principal in consultation with the faculty. As members of different committees, faculties are delegated the responsibilities to design and formulate plans and policies in different spheres ranging from academic to infrastructural arrangements. The top management grants such plans and policies with or without modifications as the case may be and the same is then implemented by the principal. Keeping the stated mission in view, the institutional activities are being carried out. Thorough need analysis is carried out by the College administration as part of its support for various plans and policies. Realizing that dynamism is necessary for the growth and development of the institution, the academic committee advocates changes in different institutional issues such as rotation of headship, appointment of staff at college pay, change in admission fee structures etc. To monitor and evaluate policies and plans, regular meetings of the Governing Body, Departmental Heads, staff members and different committees are convened. Regular visits of the Principal and Vice-principal to the departments and interaction with staff members are also done

# DHSK COMMERCE COLLEGE: DIBRUGARH

The governance of the institution is reflective:

The empowered team of the College Management Committee is known as the Governing Body of DHSK Commerce College. This committee consists of the President, Principal cum Secretary, Members from Dibrugarh University, Members from Teaching Staff, Members from College administrative Office, members from local administration, Women member from guardian, Librarian of the College and other Guardian Members.

committee, college-magazine committee, RUSA and UGC committee, disciplinary committee, scholarship committee, grievance redressal committee, etc. All the committees take its responsibility for the plans and activities, and successfully tackles these responsibilities in every academic session. For academic performance meetings with HoD's and faculty of various departments is done. Also, the teaching-progress is checked monthly by teaching register. Principal continuously monitors each room individually by CCTV installed for teaching-class, class room activities, movement of students in veranda and outside of the campus. The perspective plans are implemented by principal with finance committee, headed by him/her self. It deals with the finance received for the various grants and amount received from other sources from overall development and maintenance of college. The financial requirements are proposed by various committees and the Governing Body approve the same for the greater interest of the college.
